

CONSTITUTION OF KENYA NI YETU PIA

We, the members of Kenya ni Yetu Pia, recognizing the need for civic education, mental health advocacy, and the protection of human rights, are committed to empowering communities and fostering a more just, equitable, and mentally healthy society. Guided by the values of transparency, inclusion, and service, we dedicate ourselves to bridging mental wellness with political consciousness and collective action.

ARTICLE 1: VISION, MISSION, AND OBJECTIVES**

Vision

To create a politically conscious and mentally empowered society where human rights are upheld, and every individual actively participates in governance and community well-being.

Mission

To bridge mental health advocacy with political education, empower communities through civic engagement, and champion the protection and promotion of human rights.

Objectives

1. To provide accessible and impactful civic education to communities across Kenya.
2. To raise awareness about mental health and provide support to individuals and groups affected by political and social challenges.
3. To advocate for the protection of human rights, particularly in marginalized communities.
4. To foster a culture of accountability and transparency in governance through public engagement and education.
5. To create platforms for community-driven projects, including environmental clean-ups, visits to orphanages, and workshops on leadership, education, and mental wellness.

ARTICLE 2 : CORE VALUES

1. Inclusivity: We embrace diversity and ensure all voices are heard and respected.
2. Integrity: We uphold the highest ethical standards in all our actions.
3. Empowerment: We aim to equip communities with knowledge and tools for self-reliance.
